Integratives Tumorzentrum des Universitätsklinikums  
und der Medizinischen Fakultät

Comprehensive Cancer Center

## Program Day 1

**Tuesday, May 24<sup>th</sup>**

Individual arrival in Ulm

**Location:**

University Hospital of Ulm  
Albert-Einstein-Allee 23, 89081 Ulm

**In case of problems please contact your local organiser  
Mrs Petra Orth at ++49-(0)731-500-61301  
[petra.orth@uniklinik-ulm.de](mailto:petra.orth@uniklinik-ulm.de)**

## Program Day 2

**Wednesday, May 25<sup>th</sup>**

***“Pre-treatment”***

09.00 - 09.10	Welcome	Reske/Luster
09.10 - 09.30	Epidemiology and risk factors	Luster
09.30 - 09.45	Documentation and statistics	Mäder
09.45 - 10.00	Staging systems	Mäder
10.00 - 10.30	Histopathology of thyroid cancer and new biological markers	Schmid
10.30 - 10.45	Discussion	
<b>10.45 - 11.00</b>	<b>Coffee Break</b>	
11.00 - 11.30	Differential diagnosis of thyroid nodules	Führer
11.30 - 11.45	Discussion	
11.45 - 12.15	Molecular Pathology of Thyroid Carcinoma	Smit
12.15 - 12.30	Discussion	
<b>12.30 - 13.30</b>	<b>Lunch</b> <b>Venue: Casino, Oberer Eselsberg</b>	
13.30 - 14.00	New developments in thyroid (cancer) ultrasound	Hegedüs
14.15 - 14.30	Discussion	
14.00 - 16.30	<b><i>Workshop on practical issues</i></b>	
	Ultrasound Imaging	Kratzer
	Fine-needle biopsy/histopathology	Barth
	Gamma Camera handling	NucMed Staff
<b>Evening</b>	<b>19.00 h - Social Dinner</b> <b>Venue: TBA</b>	

## Program Day 3

### Thursday, May 26<sup>th</sup>

### *“Treatment”*

09.00 - 09.30	Surgery	Weber & N.N
09.30 - 11.45	Thyroidectomy (live video projection)	Weber & N.N.
12.00 - 12.15	Radiologic imaging before and after surgery	Ammann
12.15 - 12.30	Discussion	
12.30 - 13.30	Lunch Venue: Casino, Oberer Eselsberg	
13.30 - 14.00	Remnant ablation therapy	Luster
14.00 - 14.15	Discussion	
14.15 - 14.45	Long-term (side-) effects of radioiodine therapy	Stokkel*
14.45 - 15.00	Discussion	
15.00 - 15.15	Tea Break	
15.15 - 15.45	Individual Dosimetry	Lassmann
15.45 - 16.00	Discussion	
16.00 - 16.30	External beam radiotherapy	Vordermark
16.30 - 16.45	Discussion	
16.45 - 17.15	“The I-131 negative / non-responsive patient”: New therapeutic agents for advanced disease	Leboulleux

\* presentation will be switched to Wednesday afternoon

### Evening

19.00 h - Summer School Dinner

Venue: Restaurant Bella Vista, Münsterplatz 35

## Program Day 4

### Friday, May 27<sup>th</sup>

### ***“Special issues and new developments”***

08.45 - 09.15	Thyroid cancer treatment in children	Reiners
09.15 - 09.30	Discussion	
09.30 - 10.00	Further nuclear medicine imaging	Kreissl
10.00 - 10.15	Discussion	
10.15 -10.45	Radioiodine therapy of advanced disease	Luster
10.45 - 11.00	Discussion	

11.00 - 11.15

Coffee Break

11.15 - 11.45

Guidelines

Dietlein

11.45 - 12.00

Discussion

12.00 - 13.00

Lunch
