Digital patient portal

**Book your
appointments
online!**

Scan the QR code
and let's get started!

Dear patients,

At Ulm University Hospital, we are committed to making the scheduling of outpatient appointments simple and straightforward for you.

Through our digital patient portal, patients and caregivers can book outpatient appointments online—directly with the relevant clinic at Ulm University Hospital.

Scan the QR code or visit

<https://patientenportal.uniklinik-ulm.de>

How it works:

1. Scan the QR code or click on the link.
2. Select location, department, section, and appointment type.
3. Follow the instructions on the patient portal, fill in the relevant fields, and upload necessary documents (e.g., referral form).
4. Submit your appointment booking/ appointment request.

Important note

Our patient portal serves as a secure access point. Sharing login details with third parties is not allowed.

The information provided is intended solely for your personal use and communication with us.

Direct, fast, and uncomplicated

Your benefits:

- **Direct appointment requests/bookings** at the relevant clinics
- **Fast exchange of information**
- **Easy appointment scheduling** by avoiding telephone queues
